

Can't Stop

2016 Brinnel
Can't Stop

2016 Brinnel

C **CM7/B** **D-7** **G7**
I heard whispers of your name — long before I caught glimpses of your face —

intro: C | D-7 → G7 x2

C **CM7/B** **D-7** **G7**
I heard songs about you — well before I wrote one myself

C **CM7/B** **C7/Bb** **F**
I taught a course on how to fall — but somewhere throughout it all — I never managed more than a trip —

F- **FM7 → F6 → F** **F-/Ab** **F-M7/Ab → F-6/Ab → F-/Ab** **A/G** **Ab7** **%**
Now it's been long enough for me — to be free of the insanity — that you leave me when you're around

Db **Bb- → Bb-7/Ab → Gb** **E(9)/Db → Db** **Db7** **Bb-7** **Gb7 → G°** **Db**
Cuz I just can't stop thinking about you — Bout how I can't be without you — Yesterday I hadn't met you — Today I just can't forget you

Db **→D7→Eb7** **Gb7** **Db** **Db7** **→D7→Eb7** **Gb7** **Db**
Can't help but stew on a lady like you — And how I wanna make you mine — While it's true I hardly know you — What I've seen is oh so fine

C **Db→C** **F-** **C** **Db→C** **Bb-7** **Gb7** **F-**
But time passes slowly and I'm not in place — I hear your voice often but I seldom see your face

C **Db→C** **F-** **C** **Db→C** **F-** **→** **Db → C** **%** **→** **Bb9** **→** **Ab7**
When I'm closing in, you turn and walk away — And when I chance to catch you, I don't know what to say — but that's not true, I know exactly what to say

Db **Bb- → Bb-7/Ab → Gb** **E(9)/Db → Db** **Db7** **Bb-7** **Gb7 → G°** **Db**
That I just can't stop thinking about you — Bout how I can't be without you — Yesterday I hadn't met you — Today I just can't forget you

Db **→D7→Eb7** **Gb7** **Db** **Db7** **→** **D7→Eb7** **Gb7** **Db**
I always knew a lady like you — would stray my way someday — but I've no words to say to you — that's aren't a string of clichés

C **Db→C** **F-** **C** **Db→C** **Bb-7** **Gb7** **F-**
And time passes slowly and I'm not in place — I hear your voice often but I seldom see your face

C **Db→C** **F-** **C** **Db→C** **F-** **→** **Db → C** **%** **→** **Bb9** **→** **Ab7**
When I'm closing in, you turn and walk away — And when I chance to catch you, I don't know what to say —

Db **Bb-** **Db** **Bb-** **Db** **Bb-** **Db** **Bb-**
'Cept I just can't stop thinking about you — No I just can't stop thinking about you — I tried to stop thinking bout you — But that's all I can do without ya

||: Db | Bb-9 :|| **(end on Bb-)**
Just keep thinkin' and thinkin' and pinin' and dreamin', agonizin' and grievin', I'm frettin' and mopin', and wishin' and hopin' ||:(No I just) can't stop thinkin' bout ya:|
