Autumn Breezes — Nip your toes — With your lids closed — the wind still blows

FM7 **BbM7** **FM7** **BbM7**
Ragged bedding — Getting frayed — Doesn't make you warmer — But it's too cold to throw away

Csus **Bb9** **Ab13** **Gb6** **Db** **B9(b5)** **Bb-7** **Eb7**
And your comforters so comfortable — Though you know — Any real blanket — doesn't have holes

Ab **Eb/G** → **G°/E** **DbM7** **Ab** **E°** → **C7** **DbM7**
But what will comfort you — when you lose your comforter? — You've had that blanket for so long

Db- → **A** **F7** **Bb-7** **E7** **Eb7** **Ab** → **Eb7** → **EM7** → **(FM7)**
And a new one won't feel the same — Micro- fibre feels so wrong

FM7 **BbM7** **FM7** **BbM7**
Running colors — Scraggily threads — Don't tug on em too hard — Just stay in bed

FM7 **BbM7** **FM7** **BbM7**
Remember stuffing — It's the shit between the two sewn-together sheets — Now it's all clumped in the corner — Weighing down your feet
