Intro: **F** | **A-** | **F** | **A-** | **B7** | **E7**

Vamp: **[|:   CM7/A-7 → CM7/BbM7   :|]**

CM7/A-7   **CM7/Ab+**   **CM7/G**$_{bass}$ **CM7sus4/F#**$^{\emptyset}$

   It looked like rain —   filled the clouds —   liquid acquiescence —   waiting to come down

CM7/FM7   **CM7/D-7   → E-7**   **A → A7**

   I can't explain —   how —   you stopped the rain

D-7   Db7/G   C6 → Bb7 →A7   D-7 → G+7   C → C7

I used to put my faith in — meteo – rolo – gy. —   Droplets forming in the air

F   A-   F   A-   B7   E7   →   E7(b9)

Then your beaming smile — and your sunshine hair — spun the vane with one look at me
